

For the Homeless

WANTED

Golfers with a Big Heart and the love of a Big Challenge

Interfaith Hospitality Network of Summit County (IHNSC) would like to ask you to participate in a very unique event on Monday Sept. 21, 2009.

"100 Holes for the Homeless" is our 3rd Annual Golf Marathon event being held at Rosemont Country Club in Akron. You will receive a cart, 100 holes of golf, food, drinks and praise throughout the day! While you're having all of this fun, you'll be making a tremendous difference by providing aid to many of our less fortunate families and their children right here in Summit County. You may not be aware that over 4,000 people each year experience homelessness in our county and 50% of the homeless are children. IHNSC is committed to helping these families with food, safe shelter and compassionate assistance during their time of crisis. We rely on a network of 30 faith-based organizations of all denominations to provide lodging, food and volunteers. IHNSC is a 501c3 not for profit organization that is partially funded by grants and faith based support, however that only accounts for 65% of our operating budget. **100% of your donation/pledge is applied directly to services for the families we serve and is considered as a charitable donation for tax purposes.**

To get more information on donating or register as a participant please email ihns Summit@sbcglobal.net or call: IHNSC 330-253-8081
