WEDDING COUPLE—PLEASE GIVE THIS SHEET TO YOUR
PHOTOGRAPHER(S) WHEN YOU MEET WITH THEM

Due to the pressure of things to do at the time of the rehearsal
and before the wedding worship service, we ask that you con-
tact our office ahead of time if you have any questions.

Pictures may be taken in the sanctuary without flash from a
place that is not conspicuous or distracting to the wedding party
or other worshipers. You can use the side aisle or the back of
the sanctuary during the service. If you are doing videotaping,
you can tape from a side aisle, out of the sight line of the guests.
We are not open to roaming photography during the service.

By your presence we ask that you not simply be taking pictures,
but that you are part of the worshiping community in which this
wedding is taking place
