Dear Parent:

Requests to enroll and register children for the 2019/2020 school year have begun in earnest. We feel both blessed and excited to have so many parents eager to reserve a place for their child here at Fairlawn West Preschool! As an established family in our preschool, we want to first offer you an opportunity to register your child before opening enrollment to new families.

If you register between Monday, February 25th and Friday, March 15th you will receive a 50% discount off the registration fee; a savings of \$50. Additionally, you can earn an extra savings of \$25 if you will help spread the word about our wonderful preschool. Here's how:

Tell others what you like about our preschool by posting a comment to our Facebook page, and we will apply a \$25 credit to your registration—a total savings on the \$100 registration fee of \$75! Comments must be posted to Fairlawn West Preschool's Facebook page between February 25 and March 15 to earn the extra \$25 credit.

If your child is in our PreK class and headed to kindergarten in the fall you can still benefit by posting to our Fairlawn West Preschool Facebook page. If you do so during the stated time frame we will credit your April statement \$25—just for telling others what you love about this preschool!

We are grateful that you have chosen Fairlawn-West Preschool as the place to begin your child's educational experience, and for great parents like you who support this vibrant, safe, and fun learning environment. Thank you!

With Kind Regards,
