

“A to Zoo Summer Camp” at Fairlawn West Preschool

Dear Parents and Guardians,

Get your child’s summer off to a great start by enrolling him or her in our A to Zoo Summer Camp. Each day throughout the month of June your child will capture knowledge about an animal, design habitats, and use problem-solving skills to understand what keeps our animal friends happy. Children will also build on their school year experience by continuing to develop fine motor and social skills, increase attention span, and make good choices. A to Zoo Summer Camp is wildly interactive, allowing children fun and creative ways to gain and demonstrate knowledge.

A to Zoo Summer Camp begins June 3rd and runs through June 28th, with a special animal show and lunchtime cookout to conclude. A to Zoo Summer Camp is open to children ages 3 through 1st grade (children must be potty-trained). We meet Monday through Friday from 9:00 a.m. to 1:00 p.m. A daily snack will be provided, but children must also bring a packed lunch and their book bags.
