

2023-2024 Transition Skills Summary Preschool Site Report

Thank you for participating in the Summit County Transition Skills Summary, a collaborative project of the Summit County *First Things First* initiative. This spring, **2173** children participated in the TSS!

Below you will find a summary of the general performance levels of **24** students at your preschool site in the spring of 2024, along with county averages. Your results are based on your teachers' observations and reports. **Site results are not publicly released.** These results are not an evaluation; they are one way to understand your program. Use these results to discuss what works best for the children you serve.
